TURO

WHY UJET?

OUTCOME

+ 91%

Multimodal, real time data exchange - Legacy platform slowed down CX and made simple tasks like uploading a file hard.

91% SLA improvement + 5% CSAT lift after switching to UJET's unified chat, voice, and virtual agent experience.

Why UJET Wins: Our Unique Edge

Advanced AI for Deeper Customer Understanding & Powerful Automation

Seamless Mobile, Multimodal, and Proprietary SmartAction Experiences

CRM-First for Unmatched Insights & Security

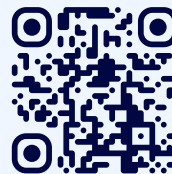

Enterprise Cloud Architecture with 3x Resiliency

Prioritized Ease of Use

- Co-branded Marketing & Events:** Leverage UJET assets and joint initiatives to generate demand.
- Google Cloud Marketplace Sales:** Draw down customer commit and retain your commissions.
